A huge thank you to Tesco!

We would like to say a huge thank you to Burnley Tesco for their generous donation of school uniform.

They have donated stacks of **shirts, shorts, skirts, trousers, pinafores, tights, socks, shoes**, and more to our Relove the Preloved shop. Our shop provides school uniform free of charge for families in Burnley.

Many children and young people in Burnley will benefit from this extremely kind donation. Thank you, Tesco, with a special thank you to Mukhtar who organised this donation!

We have a lot of warm winter clothing in our shop at the moment, why not call in to have a look? More details to follow on how you can access uniform in summer term.

We have put a pause on receiving any more clothing donations. Thanks again for your generosity.

Christmas Gift Appeal

A huge thank you to everyone who contributed to our Christmas Gift Appeal. Over 1000 children woke up to gifts on Christmas morning.

50 individual volunteers, from a range of organisations across Burnley, shared their time to support the smooth-running of the appeal. Donations through BFC in the community's reverse advent calendar helped provide Christmas Goody bags to 568 people. Look out how you can get involved in the 2025 appeal.
